oxfest.info@gmail.com

Dear Friend,

Thank you for your past sponsorship of OxFest Music Festival and support of OxFest Charities. The festival has become one of our area's most popular fall events and we hope you will again contribute to our mission.

OxFest Charities was formed as a **501c3** non-profit organization in 2016 and organized the first OxFest Music Festival in 2017. In the past five years OxFest Charities has been able to donate over **\$178,000** to organizations that support, encourage, educate and advocate for families, at risk youths, special needs individuals and graduating high school students. We could not have accomplished this without your support. The organizations that receive our support are:

- **Whole Kids Outreach** (wholekidsoutreach.org) a non-profit service organization committed to health and development needs of children, youth, and pregnant women.
- **All Abilities Athletics** (allabilitiesathletics.org) whose mission is to provide first class athletics for individuals with special needs, ranging in age from pre-K through high school.
- **CASA of Franklin County** (franklincountycasa.com) CASA or Court Appointed Special Advocates advocate for the best interests of children of abuse and neglect who are under the protection of Juvenile courts.
- **WINGS Educational Foundation** (wingsfoundation.org) a non-profit organization that provides classroom grants to educators and scholarships to graduating seniors and nursing students.
- **The Duane Haddox Scholarship Fund** which provides college scholarships to local high school graduating seniors.

This year's music festival will be held on Saturday September 16th on the main fair stage at the city park in Washington, MO. The event will feature five locally and nationally celebrated bands beginning at Noon. OxFest is a family friendly event with a Kids Zone, open air seating, vendor booths, food and beverage stands and more. Please visit our website at www.oxfestmusicfestival.org to learn more about this year's event.

Please join us again this year as an OxFest 2023 sponsor as we continue to support health care, education and empowerment for children, teens and families in need. The enclosed flier outlines the sponsorship levels for this year's event and the benefits offered at each level. As community partners, we can both benefit from the visibility and awareness among our festival goers that a sponsorship provides.

Thank you for supporting OxFest 2023!

Sincerely,

Kevin Walde
